B. Consultant, while performing the services rendered pursuant to this Agreement, may incidental thereto utilize agents or employees of such Consultant. However, such use must be documented in the monthly invoice submitted for those services rendered.

C. If from time to time Consultant needs to utilize the records or personnel of the Metro Government relative to performing the services required of this Agreement, then Consultant shall notify the proper agent of the Metro Government of this need and arrangements may be made for that contingency. However, at no time shall the Metro Government make available its resources without the full consent and understandings of both parties.
